Otherwise all players must be members with the exception of playing at Club Night, and similarly this should only be a few times (say 3 or 4 visits) before joining as a member. Club night payments are £3 for members and £5 for non-members. A register book must be signed by all attendees.

Booking a Court

Members booking courts use the MyCourts booking website. There is a link to this from the club website. www.hithercroftsquash.

Emails and contact by other club members

Please note that member communication by the club committee will be via email on matters relating to the squash club or Sports Park.

In choosing to join the club your name and email contact details will always be visible to all other members when they use the database for making court bookings. This is to facilitate arranging of games and was formally agreed at the 2019 AGM.

Box leagues

Box leagues are run at the club. Any members who wish to join this will need to also allow their telephone numbers to be visible to other members. Please let us know if you want to join in the boxes.

Door access code

The current door code is given to members on payment of their membership subscription.

The key box code for access and egress to the building (either side of the access door) is currently 5371. This is to ensure people can play when the bar is locked up. Bar opening times are currently flexible to minimise costs to the Sports Park.

Team squash

The club normally runs two teams in the Oxfordshire leagues. Please let us know if you are interested in playing Oxfordshire league squash.

Database and GDPR

Your personal details will be added to a club database (on the MyCourts website) which the Membership secretary and Chair of the committee and the organiser of the box league have access to for management purposes. Your details will be accessible to you and you can update your details at any time including the ability to set your privacy settings in compliance with GDPR requirements.

Your name and email address will also be able to be seen by other members in accordance with the AGM decision in 2019. These must not be deactivated in the GDPR settings. However contact details will not be displayed for Youth Members.

Safety and Policies

All of the club policies can be found on the website. It is your responsibility to ensure you have read them and comply with them.

The Covid Plan has been withdrawn. However please consider the welfare of the other members whether you have Covid or just a cold.

The club safety risk assessment is posted on the club notice board. This is reviewed annually.

Playing squash has inherent risks (getting hit by a racket or even a ball in the eye), so appropriate care must be taken at all times. In particular, those under 18 are strongly advised to wear safety glasses and preferably be accompanied by an adult. The use of safety glasses should not be considered to be limited to just young people.

An incident book is displayed at a prominent position on a table in gallery area. Information on incidents should be detailed in it (but first taking appropriate immediate action to deal with the incident), and also send an email summary to hithercroftsquash@gmail.com. Information that needs to be recorded is detailed in the front of the incident book.

The club has a safe-guarding welfare officer james@serious4sport.co.uk. Contact can be made direct to him related to any relevant incident or issue. He is both DBS and DSO certified. Junior / youth members under 18 who come to the courts must be attended by an appropriate adult. This means either the parent, or a person who has appropriate safe-guarding clearance and who has the approval of the parent.

However all these stipulations cannot ensure safe or polite behaviour. It is essential that behaviour on court is safe and courteous. Emotions and physical behaviour must be controlled and play must be conducted in a manner which considers health risks (over-exertion) and safety (avoid hitting your opponent with the racket or ball). Beginners, in particular, should take advice on court conduct from expert players to help minimise safety risks as well as protocols on good practice. Oxfordshire squash has issued codes of conduct policies to all clubs and misdemeanours will variously result in the committee taking action as thought appropriate which may include expelling a member.

Equal opportunity and inclusivity

The club can be used by all in line with equal opportunities requirements. No discrimination is made on age, gender, disability or race. However it should be noted that there is no wheelchair access or lift to the viewing gallery and that the door into the club is narrower than a standard door.

Dress code

There is only one rule associated with dress code and that is that all shoes used on court must be indoor sports shoes which are non-marking and are clean and are never worn outside.

Parking/ Accessing the Courts

The club is based at Wallingford Sports Park which is on the outskirts of Wallingford by the Hithercroft Industrial Estate. There is a map on the 'contact us' page of the website. There is ample free parking at the Sports Park.

The squash courts entrance which can be found by walking round the right hand side of the main Hithercroft sports park building or through the main entrance and walking through the bar if the bar is open.
